STREET REHABILITATION FOR EASTERN, HIGHLAND & READING

WHAT/WHEN: Street rehabilitation work will begin on Eastern Avenue, Highland Avenue, and Reading Road on Thursday, June 16, 2005. Crews of **Barrett Paving Materials** will resurface and reconstruct portions of these streets, and replace deteriorated curbs and inlets. The neighborhoods impacted during this construction will be downtown (Eastern Avenue, Pete Rose Way), Pendleton (Reading Road), and Mount Auburn (Highland Avenue). **This work will end by the middle of September, 2005.** Crews will complete the rehabilitation in phases, and will restrict traffic at times. Motorists must also observe parking restrictions.

WHERE:	<u>Street</u>	<u>From</u>	<u>To</u>
	Eastern Avenue (Riverside Drive)	Pete Rose Way	Baines Place
	Eastern Avenue Rookwood Overpass	350' East of Rookwood Overpass	350' West of Highland Avenue
	Liberty Hill	Stetson Street

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department also does transportation planning, design, engineering services, structural and geotechnical services, right of way regulation, and construction management. It is the clearinghouse for all City and regional transportation functions, and serves as a liaison to the Southwest Ohio Regional Transit Authority. For more information about our department, visit **www.rcc.org/transeng**.
